

My friend, you've followed an old link here looking for '[Cracking the Code-
The Fascinating Truth About Taxation In America](#)' by Peter E. Hendrickson.

At one time, following this link would have prompted a download of the twelfth edition of the book. However, now that [CtC](#) has gone to its fourteenth edition, the older version is no longer available. To get the current edition, please go to losthorizons.com/cc.htm.

Thank you, and welcome to the liberating truth about the income tax, and so much more. Your life is about to change for the better.
