RE: **3rd Notice** - 2015 Tax Return Refund Reduced Statement of Account dated August 17, 2016

Dear S. McCallum:

Reference is made to your correspondence dated January 26, 2017 (copy enclosed). Your vague assertion that my "Wages" remain taxable under current New Jersey statutes is baseless. Internal Revenue Service Code dictates what is taxable and as per my IRS 2015 Return Transcript previously submitted to your office with my January 3, 2017 letter, confirms my "Wages" as **\$0.00**. There are no New Jersey statutes that say otherwise, therefore you are requested again to refund the balance **\$1,940 (\$2,830 - \$890) plus interest** of our overpayment shown on our 2015 NJ-1040 Form as was done similarly for our IRS overpayment.

Sincerely,

Vincent T
