Future developments. The IRS has created a page on IRS.gov for information about Form 4852, at www.irs.gov/form4852. Information about any future developments affecting Form 4852 (such as legislation enacted after we release it) will be posted on that page.

Purpose of form. Form 4852 serves as a substitute for Forms W-2, W-2c, and 1099-R and is completed by you or your representatives when (a) your employer or payer does not issue you a Form W-2 or Form 1099-R or (b) an employer or payer has issued an incorrect Form W-2 or Form 1099-R. Attach this form to the back of your income tax return, before any supporting forms or schedules.

You should always attempt to get Form W-2, Form W-2c, or Form 1099-R from your employer or payer before contacting the IRS or filing Form 4852. If you do not receive the missing or corrected form from your employer or payer by February 14, you may call the IRS at 1-800-828-1040 for assistance. You must provide your name, address (including ZIP code), phone number, social security number, and dates of employment, and your employer's or payer's

name, address (including ZIP code), and phone number. The IRS will contact your employer or payer and request the missing form. The IRS also will send you a Form 4852. If you do not receive the missing form in sufficient time to file your income tax return timely, you may use the Form 4852 that the IRS sent you.

If you received an incorrect Form W-2 or Form 1099-R, you should always attempt to have your employer or payer issue a corrected form before filing Form 4852.

Note. Retain a copy of Form 4852 for your records. To help protect your social security benefits, keep a copy of Form 4852 until you begin receiving social security benefits, just in case there is a question about your work record and/or earnings in a particular year. After September 30 following the date shown on line 4, you may use a my Social Security online account to verify wages reported by your employers. Please visit www.ssa.gov/myaccount. Or, you may contact your local SSA office to verify wages reported by your employer.

Will I need to amend my return? If you receive a Form W-2, Form W-2c, or Form 1099-R after your return is filed with Form 4852, and the information differs from the information reported on your return,
