Dear Taxcollector :

I received your 12C LTR dated June 20th, 2018.(copy enclosed). In your letter you state in part " we need more information to process your return accurately." Thank you for your concern, but I was somewhat at a lose when I read what you were asking me to submit to support my entry of \$10,658.72 on line 64 of my signed 1040. The supporting documents I submitted was form 4852's which is an IRS form that serves as a substitute W2....when a payer has issued an incorrect form W2, which mine was disputed.I dont think that I need to set an explain one of your own forms to you, so let me ask you a questions.

Q1. Did you NOT receive the form 4852's that I submitted with my 2017 form 1040? If your answer is NO, you did NOT recieve them, then ask me for a copy to be mailed to you, because copies is all I have, since the originals were mailed to you.

Please respond to my question within 20 days of receipt of this letter. If you do NOT respond within 20 days then I will presume that you have all the required documents to process my 2017 Form 1040 and refund the withholdings in the amount of \$10,658.72
ASAP

Thank you in advance for your rapid response and attention to this matter.

Sincerely,

Anthony Dale George
