You Must Return the Response Form by July 07, 2010

1 Why are you getting this notice?

As indicated in our prior notice dated 01/11/2010, the income and payment information (e.g., wages, miscellaneous income, interest, income tax withheld, earned income credit, etc.) that we have on file does not match entries on your 2008 Form 1040. We have no record of receiving a response; therefore, you will owe \$104,191.

The proposed changes to your tax are listed below.

| Summary of Proposed Changes | |
|--|-------------------|
| 2008 Tax Increase | \$ 82,666 |
| Payment Increase | \$ 0 |
| Penalties - may not include all applicable penalties | \$ 16,533 |
| Interest - if paid by July 07, 2010 | \$ 4,992 |
| Proposed Balance Due | \$ 104,191 |

2 What steps should you take?

Following these steps can help you understand this notice.

1. Review your 2008 tax return.
2. Compare your return to the information in the *Explanation Section* -- page 5.
3. Decide if the information in the *Explanation Section* is correct.
4. Check the answers to *Frequently Asked Questions* -- page 2.
5. Complete and return the *Response Form* in the enclosed envelope -- page 3.
6. Complete and return the *Installment Agreement Request* (enclosed) if you need to set up a payment plan.
7. Review your rights in *The Examination Process Booklet* (enclosed).

3 What happens if you don't respond by July 07, 2010?

We will send you a final notice, followed by a bill. During this time, interest will increase and certain penalties may apply.

Frequently Asked Questions

Why did it take IRS so long to contact me?

Tax years generally end on December 31, but we may not receive complete information from employers, banks, businesses, and other payers until much later.

Will I need to file amended returns (federal/state/local) if I agree with some or all of the proposed changes?

1. You do not need to file an amended federal tax return to include the proposed changes shown on this notice. We will correct this tax year when we receive your response. If you choose to file an amended tax return, write "CP2000" along the top of the 1040X, attach it behind the Response Form page and send to the address shown on this notice.
2. If the changes on this notice apply to your state tax return, file an amended state/local tax return as soon as possible. We send information about changes based on this notice to your state and local tax agencies.
3. File amended returns for any prior or subsequent tax years in which the same error occurred. You'll limit the penalty and interest you owe.

What should I do if I am currently in bankruptcy?

If you filed for bankruptcy, please complete and return the response page, including any applicable supporting documentation if you checked Option 2 or Option 3. Please be sure to also include a copy of your bankruptcy petition.

What steps do I take if I do not agree?

We need you to tell us why you do not agree and send us information to support your statement. Please refer to *The Examination Process Booklet* (enclosed) for tips about what information you should send with your response.

What if I need more time to collect my supporting documentation?

If you cannot respond by July 07, 2010, please call us at 1-800-829-3009 to request an extension. *Remember: If the tax increase is correct, then we will add interest and penalties to your bill during the extension.*

Why do I have to pay interest and penalties?

We are required by law to charge interest and penalties, if applicable, on all tax owed that is not paid in full by its due date (usually April 15). By law, interest will continue to increase until you have fully paid the tax owed and certain penalties may apply.

How can I prevent an error in the future?

1. Include all income you've received during the year on your tax return.
2. Wait to file your return until you receive all income statements to be sure your return is complete. If you do not receive an income statement in time to meet the April 15th deadline, estimate the amount of income using pay stubs, bank statements, etc.
3. Check the records (for example, W-2s, 1098s, 1099s, etc.) you receive from your employer, mortgage company, bank, or other source of income to be sure the information they're reporting is correct. (Some states pay taxable unemployment benefits, so report that as income as well.)
4. If you receive any additional information after you filed your return, you should amend your return with the corrected information as soon as possible to avoid any interest or penalties.
5. Keep accurate and complete records. Normally, keeping your records for three years is sufficient.

What if I have more questions?

If we haven't answered your question here, you can find other Frequently Asked Questions on our website, www.irs.gov, or you can call 1-800-829-4477, topic 652, for pre-recorded responses.

This section tells you specifically what income information IRS has received about you from others (including your employers, banks, mortgage holders, etc.). The information listed below does not match the information you listed on your tax return. Use this table to compare the data IRS has received from others to the information you listed on your tax return to understand where the discrepancy, or difference, occurred. To assist you in reviewing your income amounts, the table may include both reported and unreported amounts from the same payer.

If this information is correct, your tax increase is \$ 82,666 plus all applicable penalties, interest and payment adjustments such as federal tax withholding, excess social security tax withheld, etc. If you pay in full by July 07, 2010, you'll owe \$ 104,191.

- the penalty and interest charges listed in Section 3. *Changes to Your Return*
- *Payment Instructions*
- *Additional Information* that will help you understand this notice and what action you need to take to resolve the tax discrepancy

Within each subsection below, the paragraphs are organized by topic to help you review them.

These paragraphs explain the items listed in Section 1. Information Reported to IRS.

Other Income

General

MISIDENTIFIED INCOME
 If any of the income shown on this notice is not yours, send us the name, address, and social security number of the person who received the income. Please notify the payers to correct their records to show the name and social security number of the person who actually received the income, so that future reports to us are accurate.

FORM W-2 OR 1099 NOT RECEIVED
 The law requires you to report your income correctly. If your payers did not send you a yearly income statement (Form W-2, Form 1099, etc.), you must use the information you have (pay stubs, monthly income statements, deposit slips, etc.) to estimate the total amount of income you received during the year.

Deductions

Other Deductions

EXEMPTION DEDUCTION REDUCED
 We reduced the exemption deduction claimed on your return because your adjusted gross income (AGI) is more than the allowable amount for a full deduction:

- * \$159,950.00 for filing status Single.
- * \$239,950.00 for filing status Married Filing Jointly or Qualifying widow(er).
- * \$119,975.00 for Married Filing Separately.
- * \$199,950.00 for Head of Household.

Once your AGI exceeds the amount shown above for your filing status, the allowable exemption deduction is reduced.

Tax & Credits**Taxable Income****NEGATIVE TAXABLE INCOME**

The taxable income per return (TXI) on this notice differs from your original return. This notice reflects the actual amount of your taxable income to ensure proper credit for deductions and exemptions.

Other Taxes**Self-Employment Tax - Schedule SE****SELF-EMPLOYMENT TAX ON SELF-EMPLOYMENT (SE) INCOME**

Self-Employment(SE) income generally includes nonemployee compensation and other income from part-time or full-time work and is subject to Self-Employment Tax. We figured the Self-Employment Tax on the net SE income reported on your return and/or on the underreported SE income. Self-Employment Tax consists of Social Security Tax of 12.4% and Medicare Tax of 2.9%. (Even if you have paid the maximum amount of Social Security Tax, you are still liable for additional Medicare Tax.) The deduction for one-half of the Self-Employment Tax is based on the change we made to your Self-Employment Tax. If you were an employee, you will be liable for income tax and the employee's share of Social Security (6.2%) and Medicare taxes (1.45%). Your social security account will be credited with the amount of Self-Employment income shown on this notice.

Penalty & Interest Charges**Penalties**

ACCURACY PENALTY FOR SUBSTANTIAL TAX UNDERSTATEMENT - IRC SECTION 6662(d)
If we increase your tax, and the increase exceeds 10% of the corrected tax and is also equal to or greater than \$5,000, the law requires an accuracy-related penalty due to substantial understatement of tax. The penalty is 20% of your tax increase. The penalty may be reduced or not charged if you:

- * Provide the substantial authority (such as, Internal Revenue Code, Regulations, Revenue Rulings, Revenue Procedures, etc.) you used to decide how to treat your income or deduction, or
- * Tell us where on your return you clearly show the facts supporting your treatment of the income or deduction, or
- * Submit a signed statement that clearly outlines the facts supporting your treatment of the understated income.

Interest Charges**INTEREST PERIOD - IRC SECTION 6601**

We are required by law to charge interest on unpaid tax from the due date of the tax return to the date the tax is paid in full. The law requires that interest continue to be charged on the unpaid balance, including penalties, until paid in full.
