**if we don't hear from you—continued**

- If you still have an outstanding balance after we seize ("levy") your state tax refund, we may send you a notice giving you a right to a hearing before the IRS Office of Appeals, if you have not already received such a notice. We may then seize ("levy") or take possession of your other property or your rights to property. Property includes:
  - Wages, real estate commissions, and other income
  - Bank accounts
  - Business assets
  - Personal assets (including your car and home)
  - Social Security benefits
- If you don't pay the amount due or call us to make payment arrangements, we can file a Notice of Federal Tax Lien on your property at any time, if we haven't already done so.
- If the lien is in place, you may find it difficult to sell or borrow against your property. The tax lien would also appear on your credit report—which may harm your credit rating—and your creditors would also be publicly notified that the IRS has priority to seize your property.
- If you don't pay your tax debt, we have the right to seize ("levy") your property.

**Penalties**

We are required by law to charge any applicable penalties.

**Failure-to-pay**

Description	Amount
<b>Total failure-to-pay</b>	<b>\$2,066.65</b>

When you pay your taxes after the due date, we charge a penalty of 0.5% of the unpaid amount due per month, up to 25% of the amount due. Beginning 10 days after we issue this notice, the penalty increases to 1.0% for each month the amount remains unpaid. We count part of a month as a full month. (Internal Revenue Code Section 6651)

For a detailed calculation of your penalty charges, call 1-800-829-0922.

**Removal or reduction of penalties**

We understand that circumstances—such as economic hardship, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

If you would like us to consider removing or reducing any of your penalty charges, please do the following:

- Identify which penalty charges you would like us to reconsider (e.g., 2005 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.
- Sign your statement, and mail it to us.

We'll review your statement and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

**Removal of penalties due to erroneous written advice from the IRS**

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- If you asked the IRS for written advice on a specific issue
- You gave us complete and accurate information
- You received written advice from us
- You relied on our written advice and were penalized based on that advice

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the IRS service center where you filed your tax return. For a copy of the form or to find your IRS service center, go to [www.irs.gov](http://www.irs.gov) or call 1-800-829-0922.

**Interest charges**

We are required by law to charge interest on unpaid tax from the date the tax return was due to the date the tax is paid in full. The interest is charged as long as there is an unpaid amount due, including penalties, if applicable. (Internal Revenue Code section 6601)

Description	Amount
<b>Total interest</b>	<b>\$1,989.34</b>

The table below shows the rates used to calculate the interest on your unpaid amount due. For a detailed calculation of your interest, call 1-800-829-0922.

January 1, 2009 through March 31, 2009	5%
