Re: Response to Notice CP2501
SSN:

To Whom It May Concern,

I received an unsigned Notice CP2501 (hereafter referred to as "Notice") dated February 04, 2008, a copy of which is enclosed. You requested that I reply by March 05, 2008.

In accordance with the Notice, as stated on Page 3, I have completed Step A, and checked the box marked "OPTION 3" as **I Do Not Agree with Any of the Information Shown**.

The information reported to you about me from XXX and XXX, LLC (which you list as "XXX INC") that you reference on Page 5 of your Notice under the section titled "NONEMPLOYEE COMPENSATION" is Bad Payer Data as described in the Internal Revenue Manual, Part 4.2.2.4.4(E).

XXX and XXX, LLC are non-governmental, for-profit, private-sector business people and/or corporations, and have not paid to me any Federally-connected money for any Federally-connected services performed by me as defined in 26 U.S.C SS 7701(a)(26). These individual(s) and/or corporations have nothing to do with the performance of the functions of a public office. They were not required to report my private-sector payment on Form 1099-MISC, but did anyway. Of course their erroneous information on Form 1099-MISC does not match my correction of each.

The return I filed for 2006 had documents (signed by me under penalty of perjury) submitted with it that corrected the incorrect information that was reported, and the IRS has processed them in relation to my return to my satisfaction. **I expect the IRS to correct its records as to what was reported to them based on these documents submitted by me.**

If the IRS has firsthand knowledge of any amounts reported other than what I have claimed and sworn to under penalty of perjury, I will require Section 6201(d) verification to support your position.

No further action is required by the IRS other than to correct its information as I have reported it under penalty of perjury and respond to me that this matter is now closed.

I request and demand any and all due process to which I am entitled or which is in any way appropriate and/or available to me under any provision or practiced of common, statutory, and/or administrative law or protocol including, but not limited to, that to which your Notice refers; and

incorporate by reference into this request and demand all relevant information included on or in that Notice or by requesting and demanding the due process referenced above.

Be advised that it is my intent to audio-record any and all proceedings for which such an option is lawfully available to me. I declare that I make no admissions as to my status, the legitimacy or your implicit or explicit assertions, or the fitness of any particular legal or administrative protocol by responding to your Notice or by requesting and demanding the due process referenced above.

Prior to any formal or informal due process hearing, I expect and require meaningful clarification as the nature of, and reason for, any alleged assessment, the process by which any and all relevant determinations reflected in and by your office were arrived at, and anything else pertinent to the matter.

If the IRS or its officers/agents fail to rebut in writing within 30 days or receipt of this Response that with which they disagree, then they admit to all the above statements as truth and as fully binding upon them in any court of the United States of America without protest, objection, or that or those who represent you.

Under the penalties of perjury, I declare that I examined the facts stated in this letter, including any accompanying documents, and, to the best of my knowledge and belief, they are true, correct, and complete.

Sincerely,

Justin
