

# US Treasury Federal Victory for 2016 Brian R. Wright

Note: The image of the US Treasury check is accompanied by an image showing a 10% personal check written by me to Pete Hendrickson as a 'tithe' of justice and gratitude. I recommend for every victor to similarly 'tithe' to Pete for eventual funding of a Tax Education Foundation (TEF)—to help in understanding the process and for helping educated filers to deal with rare arbitrary public-official harassment. If all victors were to make a custom of 'tithing' to the TEF the fund would bring in several \$million per year.
