

2020 Sworn Statement

The Forms 4852 submitted with my 2020 1040 form is to rebut and correct information on documents known to have been submitted to the IRS by the party on line 5 of each form 4852 referred to as "payer", who erroneously alleged that I, Mattea Bittner, received "wages" from them connected to a "trade or business".

These allegations are erroneous as payments made to me by payer did not result from any federal taxable activity whatsoever and do not constitute any taxable income under relevant income tax law.

W2's are explicitly confined to reports of only statutorily defined "wage" payments, and the reports made by payer showed "wages" that didn't qualify and are therefore erroneous.

The withheld amount shown is correct and provided to me by payer and should already be part of IRS record as provided to you by the payer.

Note: Social Security tax withheld and Medicare tax withheld are included in line 25a and 25d of Form 1040 as these monies were withheld from non-taxable payments. I am requesting a full refund in the amount listed on line 35a.

There is no evidence whatsoever that payer is involved in any activities or a status what would consider payments made to me subject to federal income excise tax. Nor am I involved in, nor done any work for the federal government that is eligible for federal income excise tax.

I do not know why payer would report these payments as "income".

I did receive a notice 1444 this year, along with the first recovery payment. I have not received the second payment and am requesting that on line 30 (Recovery Rebate Credit)

Under penalty of perjury, I declare these statements and accompanying document forms 4852 true, correct and complete to the best of my knowledge.

Signed: Mattea P. Bittner

Date: 3/10/2021

“wages” defined in 26 USC section 3401(a) and section 3121 (a)
