RE: LTR 12C dated March 31, 2023

Dear S.C. McHenry,

Thank you for the letter LTR 12C dated March 31, 2023. The three forms 4852 (Substitute for Form W-2, Wage and Tax Statement, or Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc.) submitted with my 2022 form 1040SR. We would be remiss to furnish you with a W-2 or 1099 which contain erroneous information, therefore the enclosed Forms 4852 are to rebut and correct information on a document known to have been submitted to the IRS by the party listed on line 5 of Form 4852 (NTESS, LLC, Fidelity Investments, and The Northern Trust Company) referred to as "PAYER" thereby erroneously alleging that I, (RECIPIENT) received payments from them in the course of, or connected to, a trade or business, federal or federally-connected employment, investment, or other taxable activities.

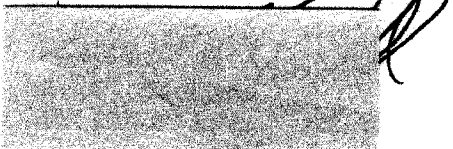

The payments made to me by these payers did not result from any federally taxable activity whatsoever and do not constitute any taxable income under relevant Income Tax Law. The amounts shown as withheld are correct according to information provided to me by the payer and should already be a part of the IRS's records as provided to you by the payer.

Please note that "Social Security Tax withheld" and Medicare Tax withheld" are included on line 25d of Form 1040SR as these were withheld from non-taxable payments. All evidence to my knowledge indicates that these payers are not connected with any activity or of a status which would render payments to me subject to federal excise tax, nor am I.

Thank you for your prompt attention to this matter. I am expecting a full refund of \$38,474.81.00 without delay.

Under penalties of perjury, I declare these statements and accompanying documents (Forms 4852) to the best of my knowledge and belief, to be true, correct, and complete.

Sincerely,

Certified Mail: 7021 0350 0001 9155 8940
