Greetings,

I received an unsigned Notice CP3219A (hereafter referred to as "Notice") dated January 27, 2020, a copy which is enclosed. AUR control number 70045-2053. The Notice states that "You may be able to resolve your dispute with the IRS" and requested that I reply by the April 27, 2020 deadline as stated on page 2 of 9.

In accordance with the Notice, as stated on Page 2 of 9, I am disputing the proposed changes as I do not agree with any of the information shown and refuse the proposed amount. The Notice cites no statutory or regulatory authority for proposed changes to the 2017 Form 1040 tax return. I can only conclude that the proposed changes are made under color of law and are without any legal, statutory or regulatory authority. Furthermore, it appears my Response to a CP2000 Notice dated September 19, 2019 has been ignored by the IRS.

The information reported to you about me from that you reference on Page 5 of 9 of your Notice is Bad Payer Data as described in the Internal Revenue Manual, Part 4.2.1.24 (2) "Nontaxable income reported as taxable."

Innovations Academy and/or PayPal Inc. have not paid me any money for any services performed by me as defined in 26 U.S. Code § 7701 (a)(26). This individual and/or corporation have nothing to do with the performance of the functions of a public office. I did not receive any "wages" as defined in IRC Section 3401 (a) and Section 3121 (a) and others. They were not required to report my private-sector payment. Their erroneous information on their submission of Form W2 does not match my correction of it. Corrected 1099-K and Form 4852 are included with this Response to rebut presumptions. These were included with the 2017 Form 1040 filing which also is included with this Response.

**If the IRS has firsthand knowledge of any amounts reported other than what I have claimed and sworn to under penalty of perjury, I will require 26 U.S. Code § 6201 (d) verification to support your position.**

No further action is required by the IRS other than to correct its information as I have reported it under penalty of perjury and respond to me IMMEDIATELY that this matter is closed.

If the IRS or its officers/agents fail to rebut in writing within 30 days of receipt of this Response that with which they disagree, then they admit to all the above statements as truth and as fully binding upon them in any court of the United States of America without protest, objection, or that or those who represent you.

Under the penalties of perjury, I declare that I have examined the facts stated in this letter, including any accompanying documents, and to the best of my knowledge and belief, they are true, correct and complete.

Sincerely,
