Maria Aguirre or Office of Maria Aguirre,

I received a signed LTR 2626C by Maria Aguirre (hereafter referred to as "Letter") dated October 29, 2020, a copy which is enclosed. The letter asked that I send an explanation by Nov. 25, 2020. I could not complete such a request due to the fact that the letter was postmarked on December 18, 2020. An image of the envelope is enclosed for your convenience.

Innovations Academy has not compensated me any money for any services performed by me in the United States or State as defined in 26 U.S. Code § 7701. There were no wages involved in the course of an employer and employee relationship as defined in 26 U.S. Code § 3121, § 3401 or any other subsections. I have never been to or been employed by any corporation in the 26 U.S. Code § 7701 definitions of United States or State. This individual and/or corporation have nothing to do with a trade or business as defined in 26 U.S. Code § 7701 (26). They were not asked nor required to report any private non-taxable payments to the IRS. The erroneous information on their submission of Form W2 does not match my correction of it. Form 4852 is included with this letter to again rebut any presumptions. This was included with the 2017 Form 1040 filing.

I am providing firsthand information. Any other information or data being provided to the IRS is false and should not be construed as accurate. If the IRS has firsthand knowledge of any amounts reported other than what I have claimed and sworn to under penalty of perjury, I will require 26 U.S. Code § 6201 (d) verification to support your position.

No further action is required by the IRS other than to correct its information as I have reported it under penalty of perjury and respond to me that this matter is closed.

If the IRS or its officers/agents fail to rebut in writing within 30 days of receipt of this Response that with which they disagree, then they admit to all the above statements as truth and as fully binding upon them in any court of the United States of America without protest, objection, or that or those who represent you.

Under the penalties of perjury, I declare that I have examined the facts stated in this letter, including any accompanying documents, and to the best of my knowledge and belief, they are true, correct and complete.

Sincerely,

A large black rectangular redaction box covering the signature area.
