Dear Ryan & [REDACTED] Maccubbin:

The New Mexico Taxation and Revenue Department has substantially increased efforts to combat identity theft and refund fraud. Additionally, recent data breaches in the federal government and public sector are forcing us to take extra precautions while processing tax refunds.

Your tax year **2019** New Mexico Personal Income Tax Return has been received, but your refund *has not* been processed. Additional information is required for the Department to verify your income and identity before your refund request can be processed. To complete the processing of the refund, please return copies of the requested information and this letter by **August 26, 2020**. If your filing status is **Married Filing Joint**, please submit information for both spouses.

To verify income, please provide the following:

- Copies of all W-2s, 1099s and/or all other income source documents for tax year 2019

To verify identity, please provide the following:

- A copy of your driver's license or identification card.

Further review of your information may result in an additional request for information.

Please include a day time telephone number where you can be reached should we have additional questions:

This request for additional information may result in a delay in the issuance of a tax refund. To minimize the delay, we recommend that you submit documents electronically to the department's Taxpayer Access Point page <https://tap.state.nm.us/Tap>. Please include the Letter ID from the description box.

Information can also be submitted by fax, in person at the Tax Office, or by mail.
